

Friday Evening

My Dear Lord

Coundouriotis says that nothing can go on further until the Money comes. That if sent by a man of confidence chosen by himself- if he brings back the money all will be ready for Monday. The sum required is \$150500 T.P. This includes 23000 p. for biscuit. Might I suggest to Your Lordship to send someone to arrange the payment with Coundouriotis.

Your Lordships
obliged & faithful servant
